EXPERIENCE

Walt Disney Company

Multimedia Designer, Content Strategy & Integration | Disney Experiences

Walt Disney World | Orlando, FL | April 2022–Present

- Create, design, and deliver immersive multimedia training content for Disney Experiences and domestic park operations utilizing the Adobe Creative Suite, Articulate Storyline, and 3D Vista.
- Build unique learning experiences for on-the-job training, documentation, complex technical applications, and safety situational awareness.
- Design with a focus on diversity, inclusion, and accessibility to accommodate all learning techniques.

Creative Producer IA, Learning & Talent Solutions | Disney Corporate

Walt Disney World | Orlando, FL | August 2024–January 2025

- Created and produced enterprise-level employee content and business specific training experiences by using design, video, and technology to strategically support in-person and virtual learning.
- Managed multiple projects simultaneously, leveraged design teams, partnered with instructional design project managers, and maintained project timelines.
- Consulted across a range of tasks including event production, photography, audio, video, graphics, and class facilitation.
- Developed DLearn courses utilizing the Adobe Creative Suite and Storyline.

Multimedia Specialist TA, Content Strategy & Integration | Disney Experiences

Walt Disney World | Orlando, FL | March–November 2020

- Collaboratively developed multimedia assets leveraged to enhance Disney's Cast Training experience.
- Established a graphic sustainment process for training diagrams, designed attraction track maps, and created digital interactive consoles utilizing the Adobe Creative Suite.

Graphic Design Specialist TA, Communication & Collateral | Disney Experiences

Walt Disney World | Orlando, FL | October 2019–March 2020

- Supported the Communication Strategy team for guest information and collateral by designing printed park maps, times-guides, and resort signage.

Associate Motion Graphics Designer, SportsCenter

ESPN | Bristol, CT | April–June 2020

- Specialized on fast-paced productions and executed content development needs for SportsCenter. Primarily utilized Adobe After Effects, Premiere Pro, and Photoshop to create and implement sports graphics for ESPN channels.

Graphic Design & Communication Internship, Safety | Disney Experiences

Walt Disney World | Orlando, FL | June 2018–April 2019

- Conceptualized safety content into engaging material for internal communication. Platforms included graphic design for print, video, web design, editorial layout, motion graphics, and branding.

Digital Marketing Designer & Video Editor

Market Traders Institute | Orlando, FL | February 2021–April 2022

- Edited analyst video content for social media platforms with Adobe Premiere.
- Created visually-compelling designs for branding elements in collaboration with sales and marketing teams, optimizing marketing funnels.

Video Production Design Internship

Thompson Sports Management | Seattle, WA | October 2017–May 2018

- Supported corporate design initiatives, digital creative production work, and video development for top NFL athletes and their endorsements with both national and regional brands.
